

Japan Hire

## THE MOST CONNECTED WAY TO RECRUIT OR LAND YOUR DREAM JOB IN JAPAN

### FOR JOB SEEKERS

We take an individual approach with each of our candidates, consulting carefully with them to help them find the ideal position. Japan Hire also provides career counselling that includes assistance for applying to jobs, tips on writing resumes and helpful advice about preparing for interviews.

### FOR EMPLOYERS

Leveraging our extensive network in fields ranging from consulting, IT and banking to insurance, healthcare, consumer goods and large corporates, we utilise a confidential, customer-centric strategy to help businesses find executive and mid-career talent that fits their company culture.

Backed by more than 20 years' experience in Japan working with clients across a wide range of industries and integrated within a diverse business network, Japan Hire offers a complete suite of services.

#### Our Approach

- Quality of Service
- Speed of Execution
- Integrity & Confidentiality
- Consultative
- Relationship-based

#### Our Clients

- Consulting
- IT & Digital
- Banking
- Insurance
- M&A and PE
- Large Corporates and Many More

#### Our Network

- 50,000+ Japanese and Bilingual Professionals
- 15,000+ LinkedIn Followers
- Extensive C-Level Relationships
- Career Forums and Associations (ACCJ, BCCJ, TAC, IBA, Fintech, Biotech)

### FROM OUR CEO:

"Recruiting and assisting with executive and mid-career searches is about matching skillsets, cultures, values, and financials. To do that, you need business experience and a strong, trusted network. Prior to starting Japan Hire, I spent more than 20 years working in Japan as a managing partner in consulting, a senior vice president in banking, and country manager for two international subsidiaries."

—Nicolas Tollie
